About

I'm a political journalist with 10 years of experience and expertise in US politics, history, and foreign affairs. I've covered topics ranging from wars to US elections, reporting everywhere from Trump rallies to the Poland-Ukraine border. I've interviewed prominent politicians in Washington, world leaders, diplomats, ex-spies, and leading experts across numerous fields. I'm a versatile journalist capable of tackling breaking news but also more in-depth pieces of news analysis and features. My reporting has been cited by the White House, in Congress, and by numerous top media outlets. I've appeared on major television networks to discuss my reporting, including MSNBC, Fox Business, Fox News, Al Jazeera, Cheddar, and Deutsche Welle, among others.
